# What is 1012.585, F.S.?

- F.S. 1012.585 refers to the section of the **Florida legislative code** that stipulates **EVERY Florida educator** desiring to renew a teaching credential must earn **20** inservice points in **methods/strategies for teaching students with disabilities** in **EACH validity period**.
- These points are **PART OF** the **120** required for renewal every five years. **They are NOT in ADDITION to the 120.**
- Points may be earned in “pieces” or via one “whole.”
- One semester of college credit will = 20 inservice hours.

I have a LOT  
of points!

How can I  
know if I have  
earned these  
points  
already?

## FIRST THINGS FIRST: EXAMINE YOUR TRANSCRIPT

To print a transcript of your inservice record, visit the district website at [www.ecsd-fl.schoolloop.com](http://www.ecsd-fl.schoolloop.com). Click on the **STAFF** tab, and scroll to "P": Click on **Performance Matters**.

Enter your **Novel** username and password.

Click on "**Certifications**."

**Scroll** down the page; your transcript will appear. It is in chronological order, with the most recent coursework appearing first.

Click "**Print a pdf**."

**When you have the printed version of your transcript**, determine when your validity period is, and count **ONLY** those points earned in that time frame. It may be helpful to use a highlighter.

Now, **examine the courses that fall within the validity period**. Look at the **third column from the right, "Component #,"** and **use the criteria on the next slide** to determine if the points are F.S. 1012.585 eligible or not.

OK...I  
have the  
printed  
transcript,  
now  
what?

## DETERMINING F.S. 1012.585 ELIGIBILITY:

When examining the Professional Learning Catalogue (PLC) component number, look at the **SECOND, THIRD** and **FOURTH** digits of that number. The training will meet F.S. 1012.585 requirements **if** the **2nd**, **3rd** and **4th** digits of the component number are:

**100 or 101 or 102 or 105**

### *Example:*

2**100**045. This course **will** count.

### *Non-Example:*

7**405**239. This course **will NOT** count.

### **PLEASE NOTE:**

- 103 and 104 **NEVER** count for F.S. 1012.585,
- nor do Gifted and ASL courses, **regardless** of code.
- Anything advertised under the **RIGHT** code, but advertised as **NOT** counting, **WILL NOT COUNT**.

# My Example

**FIRST**, see if the course was taken IN the VALIDITY period.

**SECOND**, examine the component number for F.S. 1012.585 eligibility.

**THIRD**, add up the F.S. 1012.585-eligible points. You need 20.
